

C.2 SILO 3 PROJECT ACTIVITIES FLOW DIAGRAM

Figure C.2-1 is a flow diagram that depicts the contract Scope of Work for the Contractor performing on-site treatment of the Silo 3 material at the FEMP. Likewise, Figures C.2-2 and C.2-3 are flow diagrams that depict the contract Scope of Work for the Contractor performing on-site pretreatment of the Silo 3 material at the FEMP and off-site stabilization of the Silo 3 material at the Contractor's treatment facility, respectively. All flow diagram blocks are annotated with references to sections of the SOW.

The flow diagrams are provided as an aid and do not take precedence over any other part of the contract, nor are they intended to depict all relevant references to the block activities.
